NOTHING SUCCEEDS LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is he most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEP-ROSY to the simplest disease known to the human system. The scientific men of to-day claim and prove

that every disease is CAUSED BY MICROBES,

-AND-

Exterminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malaria Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases constitutionally.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles, in all its torms, and, in fact, every Disease known to the Human System.

Beware of Fraudulent Imitations. See that our Trade-Mark (same as above) appears on each jug.

THE SUCCESS OF THE

SOCIETY

NEWYORK

Is attracting wide attention, for the following reasons:

1st. The increase in the amount of new Insurance in 1889 was 66 per cent. over that of the previous year.

2d. New business in 1889 nearly wenty millions of dollars.

3d. The ratios of payments for Death Claims and Expenses to amount at Risk are LOWER than those of the oldest and largest Life Insurance Companies of New York; and the Ratios of Assets to Liabilities in the Provident Savings Life are LARGER, being \$206 for every \$100 of Liabilities, while in the three largest of the New York Companies the Ratios are as \$127, \$118 and \$108 to every \$100 of their Liabilities.

4th. Life Insurance at ACTUAL COST. that brings insurance within the reach of many heretofore unable to carry it.

5th. It never costs one-half the price charged for it in "Best Old Style Life Companies," whose experience proves that hardly 39 per cent. of their Premium Receipts were necessary to insure the lives of their Policy-holders; while the balance was used

FOR SOMETHING ELSE

besides insurance.

6th. Past experience shows that the better the plans of the Society are known, the greater its income becomes.

To know what these plans are, call at the Company's office in Greensboro, N. C., or on any of my Agents in the
